LOVE WHERE YOU LIVE

AASHIANA is a modern urban apartment located in the midst of Sukhumvit Soi 26, Bangkok – a prime location in the heart of the city. The apartment was developed by Urban Bliss Co., Ltd. in mid-2016. The residence features 9 floors including the rooftop and a total of 13 meticulously designed units (one, two, and three bedroom units) which are fully furnished and equipped with a home automation system, automated curtains, an Ultra HD smart TV, and more. Facilities include an infinity swimming pool, rooftop lounge, fitness gym, steam room, while services include transport service to the main roads, community malls, shopping centers, and scheduled room cleaning.
